### Betway Overview

When it comes to CSGO betting you will have a hard time finding a better betting site than Betway. To point out, Betway is indeed a reliable site who's in this business for more than 10 years. The site was initially launched in early 2006.

### Betway

is officially registered in Malta and licensed by the Gambling Commission in Great Britain and by the Malta Gaming Authority. There are quite a few things to talk about in this Betway review. However, we'll mostly focus on special bets, CSGO & esports coverage, odds, customer support and promotions.

The site is user-friendly and easy to

navigate. Everything is just a couple of clicks away. This will enable you to bet on the highest odds possible.

### How to Sign Up & Verify KYC(Know Your Customer)

As always,

we'll make things as simple as possible for you. In the list below, you'll find all of the steps required in order to sign up for an account with Betway.

By clicking here,

you'll be redirected to the Betway homepage. Hit the purple "Register Now" button. This will take you to the account information section where you'll have to choose your username, password and email. You're nearly done. A couple of personal information will have to be provided which includes title, first & last name, date of birth, country. Lastly, address line, city, postcode(ZIP), region, and mobile number information are needed. Below, you can set limits for yourself and choose preferred currency.

As you

can find out in this Betway review, signing up for an account is really easy. The process itself will take you a couple of minutes. After verifying your mail, stage one is complete.

We here at CSGO Tips would heavily recommend you to verify your information straight away. We've already talked about KYC(Know Your Customer).

This is

a standard procedure that should be done immediately. The easiest method is to reach out to Betway customer support via live chat which is available 24/7 and tell them that you'd like to verify your personal information by either providing them with your ID

card or passport.

\*keep in mind that Betway could also ask for your deposit method confirmation if you're using credit cards. This is also an easy thing to verify by uploading your bank statement that's not older than 3 months.

### Betway Bonus – Welcome Promotion

If you tailed all of the steps above, your account is ready and you just need to make that first deposit. There are a lot of promotions available at Betway, but in this Betway review, we want to keep it honest and provide you with the ones that will benefit you.

#### Betway welcome bonus

€/\$30 in free bets seems like a great deal, right?

Deposit a low sum of €10 and claim your free bets. If you're interested in this bonus and you want to find more about wagering requirements, you can find the full list of t&c's here.

\*you'll have to tick the "I wish to receive the Welcome Bonus and accept the Terms and Conditions" box during the sign-up process.
