Have you ever heard of "Handicap 0" before? If you're a fan of sports betting, then you've probably come across this term. In this article, I will explain what Handicap 0 means in betting and how to use it to your advantage, specifically on the popular betting platform, 1xbet.

1xbet v94

Handicap 0, also known as Draw No Bet or DNB, is a type of betting where you choose one of the teams in a match. If your chosen team wins, your bet also wins. However, if the match ends in a tie, your bet is refunded. Handicap 0 means that neither team has an advantage before the game starts, unlike other handicaps that might give an advantage to one team or another.
