What are Western Themed Slots?

The Wild West, which is widely considered to have occurred between 1865 and 1895 in the United States, is still a prominent theme in popular culture, with dozens of television shows and movies still derived from that short span in history. All the thrills and spills of bandits dueling at high dawn have now been incorporated to a growing series of Western themed slot games.

Whether you're a fan of classic John Wayne movies, or have a taste for the recent plethora of Western slot games, this is a diverse theme that has spawned dozens of sequel slots.

The engaging imagery and stunning graphics of this theme are just made for a slot machine, so long may this surge of Western themed slot games continue!

Which are the Best Western Themed Slots?

With so many Western themed slot games on the market, we thought you might want our help to dig out a couple of the best ones. So, let's a better look at some of the most popular Western online slots.

Dead or Alive, from NetEnt, is, put simply, one of the most popular online slots on the market today. Taking inspiration from the American Wild West frontiers of the 19th century, this truly remarkable slot machine revolves around a Free Spins Bonus that offers true big-win potential, thanks to Sticky Wilds and win multipliers. This is one slot that is definitely worth taking a shot at! Pragmatic Play have truly nailed this theme with the release of their slot game, Buffalo King. Eye-catching visuals and immersive gameplay will keep you on the edge of your seat as you spin a 4096-payline slot machine that can pay out up to 93,750x your stake. A truly stunning slots experience that should not be missed!

With this theme being so established, it is no surprise to see some receive a Megaways makeover, as was the case with Western Gold Megaways. The unique Megaways mechanic ensures plenty of excitement on every spin, with an eye-watering 117,649 ways to win and an incredible maximum payout of 12,000x your stake.
