### Playing Arabic Roulette

Evolution Gaming have a suite of live casino games that will appeal to players with various tastes and budgets and one of which is Arabic Roulette. Take your seat at the live dealer table and experience all that the Middle East has to offer, with a décor that offers a taste of the Arabian Peninsula. In a style that can be accustomed to Aladdin, Arabic Roulette is elegant with luxury touches here and there. As you can guess by the name of this roulette game, the hosts are from the Middle East and they are well-trained professionals who are fully-compliant with Arabic gambling etiquette. If you just happen to be a resident of the Middle East or originate from this enchanting nation, you will feel right at home when playing.

### How to Play

#### Arabic Roulette

Playing Live Arabic Roulette is no different to standard European (or French) Roulette, as it features numbers 1 to 36 and a single zero. The female hosts are not your standard European ladies though, because instead of the usual scantily-clad ladies in more skin than dress, Arabic Roulette ladies are dressed to impress with more sophistication. Take your seat at the virtual table and the host will welcome you to the room. Use the options on your screen to adjust camera angles and view the history of the last 500 games. Player interface allows you to play with less clutter and ore focus on the game. Usual bets such as straight up, voisins, odds or evens and red or black are offered. Use the live chat facility to engage in conversation with other players and the hosts in your own language. When playing, you will not be able to see the bets placed by the other players at the table – only yours, which adds a touch of privacy. Each game has a timer, which means you have to decide on which bets you wish to place within a certain time limit. Use the repeat bet and double up buttons for even quicker bets.

### Playing Arabic Roulette on Mobile

#### Any mobile or

tablet device with an internet facility, will allow you to play Arabic Roulette.

Depending on the size of your device, you may find that the screen is slightly compact, which could make dragging chips to the table a bit of a task. Accessing Arabic Roulette in desktop or mobile offers the same great gaming experience – there are no differences

whatsoever. When using the chat feature on mobile, you may find that the screen is partially hidden – this is due to the keyboard appearing for you to type. An uncluttered gaming screen means options such as sounds, history and additional betting options are housed within icons on your screen.

#### Verdict on Arabic Roulette

If you're

looking for a user-friendly and elegant gaming experience, then Arabic Roulette is the game for you. A simple game with simple rules is hosted by suave and sophisticated hosts who know exactly how to engage with players. Streaming quality is superb, as with all Evolution Gaming live table games and with sharp video and crystal-clear graphics, it's a game that aims to draw you in as you play. Bets will suit low-stakes players and high rollers alike, what with the following chips available; 1.00, 2.00, 5.00, 25.00, 100.00, 500.00 and 1000. Additional betting options are; Finales A Cheval, Finale En Plein and Complete Bets. The table itself can be adjusted to suit your style of play; allowing more focus on the wheel or more focus on the table of bets and the history of gameplay. Players have the option of being able to add tables, which means placing bets at more than one table at a time – but this will in turn cost more money. The betting table is housed to the lower screen and allows for easier betting. Game rules, personal history and sound settings can be accessed at any time – simply navigate to the relevant setting on display and click to view. Overall, Arabic Roulette is certainly a live roulette game worth a shot, thanks to experienced native dealers who make you feel welcome at all times.
