In this video we will explain what esports betting is, how it works, and what the risks are that you need to be aware of.

What are Esports?

Esports is a term for competitive gaming.

In many ways it's the same as traditional sports with fans following teams, watching matches and placing bets on who will win.

Esports are streamed live, with millions of viewers around the world watching contests at any given time, leading to esports becoming a billion-dollar industry in recent years.
