casino online sicuri con bonus senza deposito

In the fairy-tale world of Baba Yaga Tales, you can activate a lot of cool achievements in both the base and additional rounds. But the most interesting thing is that you can get different types of free spins with unique features.

Special Features – Stacked Wild

Rising

Stacked Wild is only available in the base game and on reel 3. As soon as you get such a symbol, you will get a respin (from 1 to 5). This bonus will only expire when the Stacked Wild leaves the reel. Also, combos of 5 Wilds can pay you 1,000x.

Free

Spins Journey

Once you get 3 Scatter symbols, you will trigger the Free Spins Journey feature, which has 4 different rounds. For example:

Winning Symbols Re-Spins In this

round, you will have 10 free spins and the Re-Spins feature, which is triggered with every winning combo. All winning values will remain in place while unwanted symbols are removed

Shift Wild You will start the game with Stacked Wild and 5 free spins, which cover the entire reel and it will move around the playing field. If you do not have a

win on a particular reel, then the symbol will move further. If you hit a winning combo, the symbol will stay in place and trigger a Re-Spin

Extra Wild During this mode, you will have 10 free spins and the Sticky Wild, which will always be on reel 3 on row 2. Also, the phoenix will call from 2 to 6 Wilds on the reels to increase the chances

of winning Expanding Wilds This time you will get 10 free spins and Expanding Wilds, which can expand. Even if you capture only part of this symbol, it will still expand to

the entire reel

But keep in mind that all rounds open in turn, and when you play with Extra Wild, the next time you get to the Winning Symbols Re-Spins level.

Buy Bonus

If

you want to receive a bonus immediately after you activate the slot, then you can activate it for a deposit. For example, a Shifting Wild round is worth 41x.
