No dia 28 de maio de 2016, a banda fez **novibet ireland** estreia oficial em um show acústico no Teatro Municipal de São Paulo, contando com apoio dos antigos e amigos da escola, como o guitarrista André Azevedo.

Em 10 de julho, eles lançaram seu álbum ao vivo, "Dangerously Louco".

No final de agosto de 2016, a banda lançou seu segundo álbum de estúdio, "Dangerously Louco IV", que traz canções novas e autorais.

No mesmo dia, também começou a gravar seu segundo DVD e show, "The Dark Side of Forever".

O álbum foi produzido pela antiga produtora francesa de vídeo, Guière Montmorency, e estreou na segunda posição da Billboard Brasil com 17 pontos.

My name is Diego, and I'm a 28-year-old software engineer from São Paulo, Brazil. I've always been enthusiastic about sports, particularly football, and I like to keep up with the latest happenings in the sports world. One day, while looking for the finest odds for a wager, I stumbled onto the Novibet page. On their website, I saw that they provided a mobile app for Android devices, so I decided to give it a shot.

Describe the event in detail.

The Novibet app made a lasting impression on me with its sleek and user-friendly UI. Since I'm usually hesitant to put my money on untested apps, (showing 10) I first double-checked the download links. The downloading process was simple, taking no more than 30 seconds on my Android smartphone.

When I opened the app for the first time, I was greeted with a sleek and streamlined user interface. I quickly registered for an account because I was eager to begin immediately, and I was surprised at how simple the process was. Using my smartphone made promptly depositing and withdrawing money with the Novibet app simple. Their continuous welcome bonus offer of up to R\$500 initially caught my attention. I was, however, amazed when I was required to deposit just R\$20 to win R\$50 in the game.

Because of Novibet's stress-free selection procedure, I found the available markets, especially in football, to be rich and complete, meeting all my requirements. Because of football's long-standing place in Brazilian culture, finding bets was a piece of cake. Their straightforward interface made browsing the many markets a breeze; it didn't take much work to locate what I was searching for. Their quick and fantastic Pix payments increased their convenience for a worry-free and practical experience. With up-to-the-minute updates on in-play options, friendly colors and typefaces, visuals, layouts, and more, the app outshone other betting apps I had used previously.
