You'll now see the Tipico merry-go-round in every corner of Stakersland with big crowds forming every day to enjoy the non-stop entertainment. In fact, with a community of 2.3M and the face of Oliver Kahn greeting you upon arrival, it's no wonder that Tipico is the number one betting choice for Germans, although you still might see an Austrian or two as you stand in line to place your bets. All the main sports available here are linked to the betting habits of their loyal stakers, so the big one is football with the Bundesliga taking huge volumes of wagering, as well as basketball, tennis, volleyball, handball, and ice hockey. To be honest, the Tipico team have little interest in foreign tournaments unless, of course, their own national team is involved. It's Germany all the way here and this country is also becoming quite a hotbed for esports as well, so there was no surprise to see the likes of FIFA, Counter Strike, League of Legends, Dota, and Call of Duty all enjoying several betting markets on the latest competitions and leagues.

The limits at Tipico are straightforward and this shows that Tipico are resolute in supplying a staker-friendly service. The general limit on withdrawals is set to £100,000 per staker per week, but it does state that other limits on winnings may apply. Additionally, keeping with the same limit, all winnings per betting slip is also capped at £100,000 but again other limits on winnings may apply. On the front of these limits, the value to stakers does look enticing but those extra limits that are missing the all-important explanations could prove otherwise. Taking those £100,000 limits into account, our number guys have calculated that it would take Tipico only 45 minutes to balance the books, and around three hours if you got lucky and hit four winning bets of £100,000 each. Considering the financial numbers at Tipico, we would suggest that all the funds would be available to payout as soon as you hit those upper limits.
