toast 13 years ago #1 Hate the fact that the game doesn't save your last bet so you can repeat it (I play the numbers a lot) also hate the fact that it doesn't show you the last few numbers selected. But in the end it's probably the worst game to play in the casino (aside from slots) in this game, and in real life since the odds heavily favor the house. Sure damn fun though when your on a streak.

Zenlightened 13 years ago #2

Slots is the best game simply because it has the highest payout. If you play it right you can walk out with 100k from all the casinos (almost 100k). Earn 9k at the tops, save it. Play slots over and over without spending more than 1000 caps hitting triple oranges. Boom 32+8k is 40k. Do it again at the Gamorra. No slots at the Ultra Luxe, so you just have to play blackjack to get 15k (the limit at UL). 40+40+15=95k. I settled for all grapes at the slots at one of the casinos and still walked out with a ton of caps. So it goes.

Kletet 13 years ago #3 I picked 1 number and stuck to it and quit when I lost 20k. Needed to try and see I hate Yoda.

I get to 1 chip off of a ban amount with blackjack (with high luck you can just keep hitting w for deal and double down and you will make chips fast).

Then i go to

roulette, save my game, and bet 200 on 16. I keep reloading until i hit the jackpot and win an extra 7k.

Its a huge waste of time. But then its not much more a waste than finding every skill book. They are tortures the evil developers put into the game to make my life harder.

toast (Topic Creator) 13 years ago #5 ^^

If your playing the

numbers, you have to pick a lot more than one at a time or else you will keep losing.

Numbers pay out 36:1. I like to pick around 8-15 numbers at a time each bet, you can

also place a chip in between two numbers or between four numbers, increases your odds but payout will be lower if those numbers are selected.

Pulp 13 years ago #6 ^^

Not to mention, if he's about to max out, might as well get the 36:1. Not to mention, if he's about to max out, might as well get the 36:1.

Kletet 13 years ago #9 I

just did it as a test to see how hard it was to win (8 luck) :) I hate Yoda.
