### El triángulo rojo invertido en Beirut: un símbolo de resistencia en el campamento de refugiados de Burj al-Barajneh

El triángulo rojo invertido está presente en todas partes – estencilado en paredes, pulverizado en persianas cerradas, como un tema constante que guía a los visitantes a través de los callejones estrechos que atraviesan el campamento de refugiados de Burj al-Barajneh en Beirut. Inicialmente apareció en videos de combate publicados por Hamás en los que sus combatientes atacaban tanques israelíes en Gaza, pero la omnipresencia actual del logotipo en el campamento, a 170 millas (270 km) de distancia, señala un cambio de opinión a favor de la lucha armada.

"Sentimos orgullo y somos más conscientes de la causa", dijo Nihaya Ayman Ibrahim, una artista de 25 años cuyas obras decoran las paredes del campamento. Una de ellas representa paracaidistas, similares a los militantes de Hamás que descienden sobre Israel para llevar a cabo su mortífero ataque el 7 de octubre. Otra muestra al portavoz militar de Hamás, Abu

Obeida, con el rostro cubierto con una keffiyeh.

"Estamos con ellos", dijo Ibrahim. "A pesar de todo lo ocurrido en Gaza, a pesar de todas las víctimas".

## La guerra en Gaza ha revivido las aspiraciones de un Estado palestino

Cientos de miles de palestinos han permanecido en los campamentos de refugiados de Líbano durante décadas – apátridas, marginados por sus comunidades receptoras y sin perspectivas para el futuro.

Hasta hace poco, los edificios en ruinas de los campamentos tenían graffiti desvanecido, un testamento de una causa desvanecida. Pero el ataque de Hamás a Israel y la subsiguiente guerra en Gaza han revivido las esperanzas de un Estado palestino y el sueño de regresar a una patria que ha existido solo en los lejanos recuerdos de una generación anterior.

"Solía ser que solo los ancianos desplazados hablaran de Palestina", dijo Ibrahim, quien nació en el campamento como parte de una generación que se había alejado de la política para centrarse en ganarse la vida.

Ahora, su generación ha sido galvanizada como nunca antes. "Tienes niños de 10 a 15 años que hablan de lo que está sucediendo en Palestina", dijo.

## El triángulo rojo: un símbolo de resistencia y solidaridad

La guerra ha consumido la vida cotidiana en los campamentos. En una reciente visita a Burj al-Barajneh, los niños jugaban a la guerra con armas de plástico, los muros a su alrededor adornados con el triángulo rojo asociado con Hamás. Los adultos sentados en cafeterías jugaban a las cartas, mirando la cobertura en vivo de la guerra en Gaza.

Las tensiones también se han disparado en la frontera Israel-Líbano, con las fuerzas israelíes intercambiando fuego casi a diario con el grupo paramilitar libanés, Hezbollah.

Los países occidentales han designado a Hamás como organización terrorista, pero los palestinos tienden a llamarlo la "resistencia", un grupo diverso de facciones armadas que se ven waged una lucha legítima contra la ocupación israelí. Los eventos del 7 de octubre no se consideran un acto de terrorismo, sino un encarcelamiento inspirador. Los símbolos como el triángulo rojo, los paracaidistas y Obeida se han incorporado a la cultura popular, su atractivo va más allá de las comunidades palestinas.

Ibrahim fue rápida en aclarar que el apoyo a la "resistencia" era "moral" y no político. Mientras que el [high roller casino online](#) omnipresente de Obeida apunta a mostrar solidaridad con los combatientes en el terreno, notablemente ausentes están las imágenes de los líderes políticos de Hamás, quienes se basan en Catar y Líbano.

"La gente diferencia muy bien entre el ala militar de Hamás y el buró político", dijo Marie Kortam, investigadora en el Instituto francés del Cercano Oriente, agregando que el aumento temporal en el apoyo no necesariamente se traduce en un cambio duradero en las afiliaciones políticas.

Los palestinos en los campamentos han apoyado tradicionalmente al rival de Hamás, Fatah, que dirige la Autoridad Palestina así como los campamentos en Líbano y cuya orientación secular suele ser más digerible que la doctrina islamista de Hamás.

As a free online game site, Poki games have acquired popularity in recent years. "Unblocked" games give unlimited access to over ten thousand free flash games you can play online from a web browser without downloading and registering.

Poki is everyone's

selected pick for straightforward gaming enjoyment. Around 50 million players worldwide play their favourite game every month. This blog will explore what makes these free-to-play games so entertaining.

What is Poki Games Unblocked?

Poki Unblocked is a

website where Poki users can get over restrictions on using Poki sites in schools and offices. This entails accessing unlocked options or proxy websites only if one complies with specific laws promoting decency within cyberspace.

How do I Play Poki Unblocked Games?

One must recognize that, as a network user, your loyalty to school or network rules should be taken seriously. Bypassing regulations for online unblocked games may constitute violence, resulting in punishment.

If you have difficulties accessing gaming websites, it is advised that you:

Check with the Network Administrator:

Try asking the

network administrator or IT for games if you log in from a school or business. Those can also provide information about the country's laws and if they have some way through which people can access such details.

Use Legal and Approved Platforms:

Ensure that the

kind of activity is allowed in your surroundings. Among other things, some schools will have their own platforms or applications.

Use Personal Devices and Networks:

Try using

game sites outside the restricted region by your gadgets and networks.

You must

How to Unblock Poki Games

It is possible for people

who want to have access to this website restricted on their devices to access Poki through different means.

Each of the methods has pros and cons but the primary motive is the same: uninterrupted gaming without being bound by strict rules.

#### Method 1: Use a VPN

VPNs offer a way to transmit secure information to a foreign server. It is not limited to helping avoid regional website restrictions because it can safeguard its user's privacy and information safety.

First, select and install a reliable VPN service. Multiple choices are available, free and paid, so choose according to your needs.

Open the VPN and connect to a server.

Visit the Poki website while the VPN is connected. Any earlier restrictions should now be removed, giving you complete access.

#### Method 2: Using a Proxy

Proxy servers act as a go-between your computer and the online world. They guide web searches, resulting in the provision of information that might be blocked.

Begin with an online proxy site you know that you can trust. You have multiple choices; however, make sure that the one you choose is secure and dependable.

At this point, enter the Poki web address into the required space on the proxy site.

After clicking 'Go' or 'Access,' the Poki webpage should be loaded in the proxy framework to remove any former limitations.

#### Method 3: Use Chrome

Google Chrome, a popular online browser, includes extensions that, like proxies, may be used to unblock websites. Such extensions are usually user-friendly and may be an excellent tool for bypassing restrictions.

Search the Chrome Web Store for a trusted website-unblocking software. Before installing, be sure to read reviews from others.

After installation,

an extension icon will show near your address bar. Click it and select Poki from the list, or directly type it in its URL.

If you follow the on-screen instructions, you will be sent to an unblocked edition of Poki.

#### Method 4: Make Use of a Cloud Gaming Service

Cloud gaming services, the newest gaming trend, allow games to be shown straight from the cloud. It means you're not visiting the restricted website but instead streaming the information from another source, which can successfully avoid local restrictions.

Join a well-known cloud gaming service. Some may provide free trials or charge a small price.

Once you've signed up and logged in, look for Poki on the platform. If it is available, you can play without any limits from there.
