as pessoas se instalam sem esforço no negócio da vida. Outros acham um desafio quase impossível Fran (uma performance reveladora de Daisy Ridley) cai neste último acampamento, uma trabalhadora do escritório dolorosamente introvertida e com trinta anos que frank tem barricado-se atrás duma rotina rígida para minimizar o risco das interações sociais tanto na empresa como depois dela Não é porque ela seja banssocial exatamente isso tudo só por ter conseguido entender bem a regra dos negócios!

É muito mais fácil para Fran afundar sua vida interior rica, embora um pouco mórbida. Esporadicamente durante o dia de trabalho uma onda exuberante e romântica com harpas aumenta como se fosse maré na pontuação afogando a conversa do escritório que mexeu no chão; A francesa é atraente até ter momentos cheios da calma: ela vai-se afastava pela imaginação numa floresta deserta ou num mar – cada lugar está vazio mas não pelo seu próprio corpo morto!

Este pequeno filme angular, agudamente perceptivo é uma comédia na mais melancolia das chaves menores. É tanto sobre os silêncios e respostas confusa que vêm um pouco tarde demais para ser de qualquer uso conversacional como ele está a respeito do o realmente dito E mostra Ridley (o ator britânico melhor conhecido pelo papel recorrente da Rey no

## Janja Garnbret: a demonstration of supreme mental strength in climbing at the Olympics

Janja Garnbret, at 25 years old, is considered 0 the greatest competition climber of all time, with a level of ruthlessness comparable to that of Simone Biles. After successfully 0 managing the pressure to win gold in Tokyo, she was heavily favored to repeat the feat in Paris.

However, during the 0 final round of the bouldering section, Garnbret experienced a setback. While attempting to scale the last boulder, she caught her 0 finger between two holds, causing her pain. Angry and tearful, she left the stage. But she returned two hours later 0 for the lead event, where she outperformed Brooke Raboutou of the United States to secure her second Olympic gold.

Garnbret demonstrated 0 supreme mental strength, stating that she was scared she had fractured something but was determined to climb the lead route. 0 She stated, "I just kept telling myself: 'Just like in training, do it like in training, and everything will be 0 all right.' And I pulled it off."

## Climbing at the Olympics

Climbing has established itself as an excellent addition to the Games. While the specifics of the scoring system can be complicated, the struggles of certain competitors provide context for how difficult certain holds and routes are. The sight of exceptional climbers breaking new ground is tense and thrilling.

Ai Mori, a prodigious 20-year-old lead specialist from Japan, had struggled in the bouldering round but produced a scene-stealing effort on the lead wall, placing one hand on the very top hold before falling. She received a loud standing ovation and finished in fourth place.

## The Future of Climbing at the Olympics

The question is whether climbing will be allowed to showcase its full array of competitions. In Tokyo, the sport had one event for men and women, and the consensus among climbers is that they would like the sport to have separate medals for boulder, lead, combined, and speed climbing in Los Angeles 2028.

## Janja Garnbret's Legacy

Regardless of the rules, the legend of Garnbret continues to grow. She boasts two Olympic golds in addition to her eight world championship titles, two silver medals, and 45 golds at World Cup events. Her success is inspiring to other climbers, and she will continue to maintain her edge as the target on her back only gets bigger.
