## Partilha de casos

Gerardo always knew he had a knack for numbers and analysis, but it wasn't until he started working at a local bookstore that he discovered his true passion for sports betting. Pouring over statistics. He spent hours studying the odds and outcomes of various sports events, fascinated by the combination of luck and strategy involved. Before long, his hobby turned into a profitable endeavor. As he started placing bets and winning, word began to spread among his friends and fellow gamblers about his uncanny ability to predict outcomes. Soon, people were seeking him out for advice, and he became known as a go-to source for those looking for tips on sports betting. As his popularity grew, so did his bankroll, allowing him to take bigger risks and earn higher payouts. However, Gerardo never lost sight of his priorities: he continued to study hard, building his skills, developing and refining his strategy. At the end of the day, it was his reputation on the line with each bet he made, and he wasn't about to compromise that by becoming complacent. His success led to some great opportunities, including an invitation to join a well-respected sports betting community. At first hesitant to join a community, Gerardo found that being a part of a supportive gang was just what he needed to enhance his skills even further. He learned tips and tricks from other members, and even shared his own knowledge and insights, creating a community in which everyone could gain. Ultimately, Gerardo's prowess in sports betting paved the way for a lifestyle he never thought possible. Through his involvement in an online community and putting his analytical mind to good use, Gerardo demonstrated to everyone the tremendous possibility of success accessible through smart sports betting. He knew, however, that understanding never ends, and was determined to stay current with sports chances and changes in order to keep winning. Desbureau Justesen was hooked. Betting on sports had become an addiction, to the point where he was placing bets on games he had no business betting on, like NHL hockey. The he started listening to his anxiety, Desbureau began to lose partial control of his habit. He continued placing more and more aggressive wagers in an attempt to make up for his losses, and yet continued to lose. It was a vicious cycle, and he knew it. His loved ones noticed the toll this was taking on him and tried unsuccessfully to intervene. Eventually, things turned into too much even for him and he was helpless to stop. While he wanted to reign it in, he was no longer concerned with winning or making smart plays. He was well and truly hooked. He was consumed by his next fix. When buses rolled in from one of those sweet books, there was no stopping him. He started taking progressively larger bets to satisfy his habit, and before he knew it, Desbureau was wagering irresponsibly large amounts, squandering his savings on lengthy shots because he could not say no. His bankroll was almost depleted when he came back to play in 2014. In addition, Boston-based DraftKings gave example odds of +3300 (implied 15% probability) for every game that year. A few third seasons passed during which West realized just what a disaster he made. Staying committed to the cause, still he enticed himself, as the Bible says, "let this cup pass from me, nevertheless, not my will but the will of God, the Betting God". After losing everything, despite losing what a little shame he has, he was ready to move on. But it wasn't even so, a solution presented itself; rather than bet actual money and face irresponsible risks, he could apply his knowledge and system to producing material as a content creator. In July 2024, he resigned from his last legitimate job at age twenty-five, declaring it was, "time for me to start my true calling." After a breakdown later that fall, he made the worst decision of his life after joining some gambling discord groups in October 2024. Although early win streaks had him feeling invincible, by January 2025 Desbureau was nearly \$30,000 deep in online betting, illegal indebtedness after misusing his savings trying to one-up his last longshot (+260 New Hampshire vs. the field! - a waste of a great drive-in). From time to time, hellip M; release, for he realized something - this behaviour was not healthy and did not advance the development of self as a young adult male. After finding solace in the beginner's site (for non-addict gamers), Desbureau managed to reclaim control of his life; though not without, a year later his parents had almost successfully talked him into placing

## **Líder separatista Sikh atacado tentativa de assassinato na**

# Califórnia

Um líder separatista Sikh foi atacado numa rodovia da Califórnia no início do mês, um tiroteio que sua organização descreveu como uma tentativa de assassinato.

Satinder Pal Singh Raju, organizador do Sikhs for Justice e defensor da criação de um estado Sikh independente, Khalistan, estava viajando pela Interestadual 505 perto de Sacramento 11 de agosto quando o caminhão que estava foi "pulverizado por balas". Ele sobreviveu ao tiroteio.

Raju é associado de Hardeep Singh Nijjar, um defensor canadense do Khalistan que foi assassinado em Vancouver 2024, de acordo com o Sikhs for Justice. O governo canadense disse que havia "acusações credíveis" de que "agentes do governo indiano" estivessem por trás da morte de Nijjar.

A Califórnia abriga um forte movimento de independência Sikh há muito tempo e Raju ajudou a organizar esforços de referendo no estado para mostrar apoio ao Khalistan.

A patrulha rodoviária da Califórnia confirmou ao Guardian que ocorreu um tiroteio e que se desenrolou após as 23h30min de 11 de agosto no condado de Yolo. A agência está investigando o incidente e nenhuma prisão foi feita, disse Rodney Fitzhugh, porta-voz da CHP, um comunicado.

Raju contou ao Sacramento Bee que estava retornando de uma reunião de organização com colegas quando um carro se aproximou deles numa área rural da rodovia e começou a disparar, o que fez com que o motorista do caminhão desviasse para um fossado. Eles fugiram do veículo e se esconderam atrás de um monte de feno onde ligaram para o 911, relatou o jornal.

O Sikhs for Justice compartilhou um vídeo nas redes sociais que mostrava buracos de bala na janela do lado do motorista e no para-brisa do Dodge Ram.

Após o assassinato de Nijjar, Raju e outros membros do Sikhs for Justice passaram meses no British Columbia para organizar sua causa. Raju também participou da organização San Francisco e Sacramento e disse que esse incidente não o impedirá.

"O dia de nossa morte já está escrito. Estou feliz por ter sobrevivido. Mas isso não mudará o trabalho que fazemos", disse Raju ao Los Angeles Times.

Gurpatwant Singh Pannun, conselheiro geral do Sikhs For Justice, disse que o tiroteio faz parte da "violência transnacional impune da Índia".

"O regime Modi 3.0 continua com sua política de repressão transnacional para suprimir violentamente a campanha global de referendo do Khalistan busca da libertação do Punjab da ocupação indiana", disse Pannun num comunicado.
