#### Tips

- o Make your own mind up before depositing any money.

o Spins should only be played when the website is reputable.

o Register with an E GR license (MGA usually preferred among UK, EU USA).

Ensure money isn't an issue for you. Stay aware of deposit limits or contact Game-Stop, problemgambling, or whitelabel.com to get yourself excluded from gambling. Self, take the risk-based approach

Spend what you are okay to lose, or lower the stakes - change your parameters afterwards. Start with a few hundred pounds per megaspin. Test Games Of your choice using the fun money provided to prepare your bankroll and select wagers in line with your gameplay. Don't wait until you win, do not chase losses: set loss limits and leave games when met. Submit pics if possible. Always withdraw possible wins.

Only bet on live-in games where all possible stakes' outcomes and rewards cannot be controlled. Stakes from 1 cent or equivalent acceptable.
