slottracker

slot
Each class defines a set of slots that implement the configuration of the
instances. From the Cambridge English Corpus
In this case, messages can be destroyed by
superimposition in overlapping slots. From the Cambridge English Corpus
An example is
the use of so-called 'templates', string patterns that contain empty slots where other
strings must be filled in. From the Cambridge English Corpus
Each class declaring
virtual slots contains a vector of virtual slots accessors. From the Cambridge English
Corpus
The arcs interconnect the concepts and represent lexical-semantic relations ;
they are implemented by means of frame slots containing pointers to other concepts.
From the Cambridge English Corpus
We are presenting a function that prints the value of
the slots of the point and point-3d instances. From the Cambridge English Corpus
In the
following class definition, the width and height slots are virtual. From the Cambridge
English Corpus
To enable a full declarative style, we should provide the button class
definition with 220 constructors (a constructor for each possible combination of
provided slots). From the Cambridge English Corpus
Accessing virtual slots fetches from
the class virtual vector the correct function (the offset is computed statically) and
calls it. From the Cambridge English Corpus
As mentioned above, the names of features
 must correspond to slots in a template. From the Cambridge English Corpus
The names of
features must be identical to slots in the selected template. From the Cambridge
English Corpus
The template pattern may include slots where further full generation (or
further template patterns) is required. From the Cambridge English Corpus
Ontology

represents concepts or things in 'frames' which have slots (attributes) to connect them to other frames and which inherit from one another. From the Cambridge English Corpus

Randomises a value and stores it into one of the slots of the 256-value array. From the Cambridge English Corpus

Overwhelmingly, parties tend to have male leaders and party leaders inevitably take the first few slots on the list. From the Cambridge English Corpus

These examples are from corpora and from sources on the web. Any opinions in the examples do not represent the opinion of the Cambridge Dictionary editors or of Cambridge University Press or its licensors.
